A POTENTIAL political shake-up involving two levels of government is brewing with Gladstone Region councillor Glenn Churchill putting his hand up for LNP pre-selection.

The Observer understands a 'Gladstone Region councillor with ties to Rotary and who was a former policeman' has nominated for LNP pre-selection in the seat of Flynn.

Cr Churchill is involved with the Gladstone PCYC, where he's a dia-

mond life member, and spent seven years as CEO of Gladstone Area Promotion and Development Ltd before becoming a councillor.

Before that he served 11 years as councillor and mayor at Banana Shire Council and over 26 years as a Queensland Police officer.

An active resident of the greater Gladstone Region and Central Queensland for more than 25 years, Cr Churchill's interest in Flynn would see him go head-to-head with incumbent MP Ken O'Dowd.
